LICENSES AND PERMITS

3. Nostalgia Bar and Grill & Lounge (Liquor License Violation) - December 7, 2012

Upon arrival, Officer Vargas spoke with a subject who identified himself as the manager (Stefan) and the head of security (Nick Garrity). Stefan welcomed the officer into the establishment to show off the renovations. Officer Vargas observed at the end of the bar a glass smoking device with straw-like devices protruding from the smoking device (“hookah”).

Officer Vargas later spoke with the attendant standing nearby the

hookah, who was responsible for bring the hookahs out to customers and replenishing the flavored tobacco product, which is placed on top of a burning ember/coal. The attendant did inform the officer that the product which was placed in the hookah was a tobacco product; however, the officer did not smell any smoke or observe any smoke. Officer Vargas did see two patrons of the establishment using the hookah, however.

Officer Vargas took an offense report to document the incident and forwarded the report to the Licensing Department for follow up.

Due to the aforementioned facts the management of Fire Lounge & Grill (aka Nostalgia Bar & Grill) is in violation of the following rules and regulations issued by the Board of Public Safety for the orderly operation of liquor establishments.

16. STATE LAW AND REGULATIONS:

These regulations are in addition to State Law and regulations to which all licenses are subject.

The regulation being referred to in this case is Rhode Island General Law, SBC 1 Section(s) 3311.8.5, 06.3, 1110, 1014.2 (1), 413.2 (1), 1006,

1205, 1203 and 1208.2.

If the smoking of Tobacco is approved by the Public Safety Board a ventilation system shall be designed by a Medical Engineer in accordance with the following code is required.

Rules and Regulations Pertaining to Smoke Free Public Places and Workplaces, State of Rhode Island and Providence Plantations, Department of Health, December 2004, Section 2.2 (c) Compliance with Section 2.2 (b) below shall be determined in accordance with ANSI/ASHRAE standard 62-2001 Ventilation for Acceptable Indoor Air Quality.

2.2 (b) A Smoking Bar is required to provide a proper ventilation system which will prevent the migration of smoke up into the street or areas where smoking is prohibited under the provisions of the Act of these Regulations.
